## Covid-19 update from the Chair

Lockdown regulations have been relaxed a little and we are able to conduct Observed Rides once again. However, due to the present Covid rules and IAM guidance we cannot organise any social or training rides for large groups of riders for the time being. Small group rides are permissible, as current government rules allow up to six people to meet outdoors, as long as proper social distancing is observed. Ride safe!

## Lock it or lose it

Sadly, motorcycle thieves remain very active in and around Kent, and some of our KAMG members have either had their bikes stolen, or had attempts made to break into garages at home. Here are a couple of articles which suggest products and strategies which can help protect your precious metal '[Ask a Motorcycle thief](#)' and '[Motorcycle security guide](#)'.
